### DIRECTORS LOUNGE SPECIAL: IRENA PASKALI

Cologne-based artist Irena Paskali was born in Macedonia, where she studied at the Academy of Fine Arts. She has lived and worked in Cologne since October 2004, where she completed her Master's degree at the Academy of Media Arts. She works with various media, such as photography, video, experimental film and drawings. The human being is at the heart of her work. She deals with the conflicting nature of cultures and religions, questions of identity and alienation. Irena Paskali has mounted numerous solo exhibitions alongside being a regular participant in international group exhibitions and is further the recipient of various scholarships, prizes and residencies. #### News for free, 2022, 4min, HD, 16:9, Farbe

I sold news for free in Open Market in Atakpame Togo. People were very curious and wanted to know what I was selling. Nes news, fake news, old news. I sell the news in the local language lfi in the region Kamina Atakpame.

Still from "News for free"

Still from "Compassion with the Earth"

#### Compassion with the Earth, 2022, 2 min 27 sec. HD 16:9, Farbe

... and every grain buried in the ground brings new life. The earth is the plane on which we live and die, on which we find hope. The grain is fertilized, grows and dies like the human being.
